### The Dermalogica Face Treatment (60 mins)

This fully prescriptive treatment includes professional double cleansing, exfoliation, extractions, masque, hydration and solar defense. Additional products and therapies may be added to target the individual needs of your skin.

### Age Smart Treatment

Give your skin a revitalising power boost with this treatment, designed to nourish, regenerate and energise the skin! Potent vitamin and hydroxy acid exfoliation resurfaces and retexturises skin while energizing massage techniques release tension in the facial muscles, perfect for the ultimate skin therapy, for prematurely-ageing, mature and devitalized skin. Firmer, smoother, revived skin you'll love will be yours with this amazing treatment.

## HAIR REMOVAL

### Threading

A beautiful technique used to remove unwanted facial hair. The procedure involves a piece of cotton thread which is twisted together removing the hair from the roots. It is a quick simple technique and long lasting. The technique is completely natural and allows for a more precise definition and shaping of the eyebrow.

### Waxing

Waxing is an ongoing temporary hair removal treatment but it is very refreshing, removing the dead skin from the treated area. Waxing is recommended every 4 to 6 weeks depending on the rate of hair growth but over time, waxing can help reduce hair density.

(patch test required - 24 hours prior to the first treatment)

## MANICURES & PEDICURES

### Mini Manicure

Be kind to your hands and treat them to a mini manicure which includes cuticle work, file and polish of your choice.

### Mini Pedicure

Step out in style with this complete toe treatment which includes cuticle work, file and polish of your choice.

### New Blinx Designs

For that special occasion just for the toes which lasts up to 2 weeks, there is a range of designs to choose from.

### SHELLAC Treatment

Say "hello" to the future of the first hybrid nail color. New uv technology combines the ease of polish with the permanence of gels. A true innovation in chip-free extended nail colour.

Applied like a normal polish, it wears like a gel and lasts for up to two weeks. For all those special occasions, it is available in French polish and up to twelve popular shades. Treatment time is 40 minutes to be applied, and nails are dry instantly.
